

MDSC Education Task Force Mission and Vision Statement

Mission:

To improve the quality of education in Massachusetts for children and young adults with Down syndrome so that every member of our community has the opportunity to reach his or her full potential

Vision:

To provide support, information and training on current best educational practice and research to every Massachusetts educator and administrator who has as their student a child or young adult with Down syndrome

To engage the families and advocates of those students, and to engage the students themselves, as active partners with their educational community in this endeavor
